PUPPIES BEHIND BARS (PBB) TRAINS INCARCERATED individuals to raise service dogs for wounded war veterans and first responders, facility dogs for police departments and schools, as well as explosive-detection canines for law enforcement. Puppies enter prison at the age of 8 weeks and live with their incarcerated puppy-raisers for approximately 24 months. As the puppies mature into well-loved, well-behaved dogs, their raisers learn what it means to contribute to society rather than take from it.
